COVID-19 Precautions to be taken by Yuma Youth Hockey League (YYHL) for Inline Hockey Association of Arizona (IHAAZ) Tournament.

The tournament will begin on Friday afternoon and end Sunday evening. Over the entirety of the weekend there will be a total of 31 teams attending. However, in an effort to keep the total number of people in attendance low, there will typically only by one age group/division playing at a time with minimal overlap. For example, only the High School division plays on Friday. Once they are complete Friday night, there are no more high school division games for the remainder of the weekend.

1. The tournament will be held at the inline hockey rink at Kennedy Park. The only building that will be occupied during the course of the tournament will be the snack bar, with 2-3 volunteers maximum at any time. We are unable to determine the square footage and fire occupancy of the rink facility as it is outdoors. We (YYHL) will not be setting up any tables for seating, only the city provided picnic tables at the ramada in the vicinity of the hockey rink.
2. Ventilation – Ventilation measures are not required due to the outdoor facility.
3. Food and Beverage Service – will be provided by the league. Volunteers preparing food will be wearing masks and gloves. All the food will be packaged by the volunteers and served from the snack bar; whereas in years past, it was served from the grill/BBQ area.
4. Facial Coverings – will be required while in the vicinity of the rink. This includes everyone in the bleachers, locker rooms, snack bar, restrooms, around the concrete perimeter of the rink, and anytime that 6 ft social distancing cannot be maintained.
5. CDC Guidance Signage – Signs will be posted around the vicinity of the rink as a reminder. Participant families are requested to abide by the current CDC health guidelines as it applies to COVID-19 to include staying home if anyone is sick/symptomatic, has tested positive, or has been exposed to a positive case within the last 14 days.
6. Social Distancing – Teams will be assigned locker rooms for the entirety of their playing time. For example, the Yuma Blaze is assigned Locker Room 1, it is their room for the day. The teams will not be switching rooms between games. Only players, coaches, and tournament staff (YYHL and IHAAZ) are allowed into the locker room and bench area, through the SOUTH GATE. Spectators are requested to leave the rink perimeter and bleachers after their teams have left the playing surface. Dedicated areas for each team will be set up in the grass areas around the rink for families and players to congregate while between games.
7. Hand Sanitizing Stations – Hand sanitizing stations will be placed in various placed around the rink, including the entrance/exits of the bleachers and locker rooms.
8. YYHL volunteers and board members, along with IHAAZ Staff will be enforcing the mitigation measures.
9. The locker rooms and benches will be cleaned/disinfected regularly by a designated YYHL representative using products supplied by Yavapai Sanitizing.

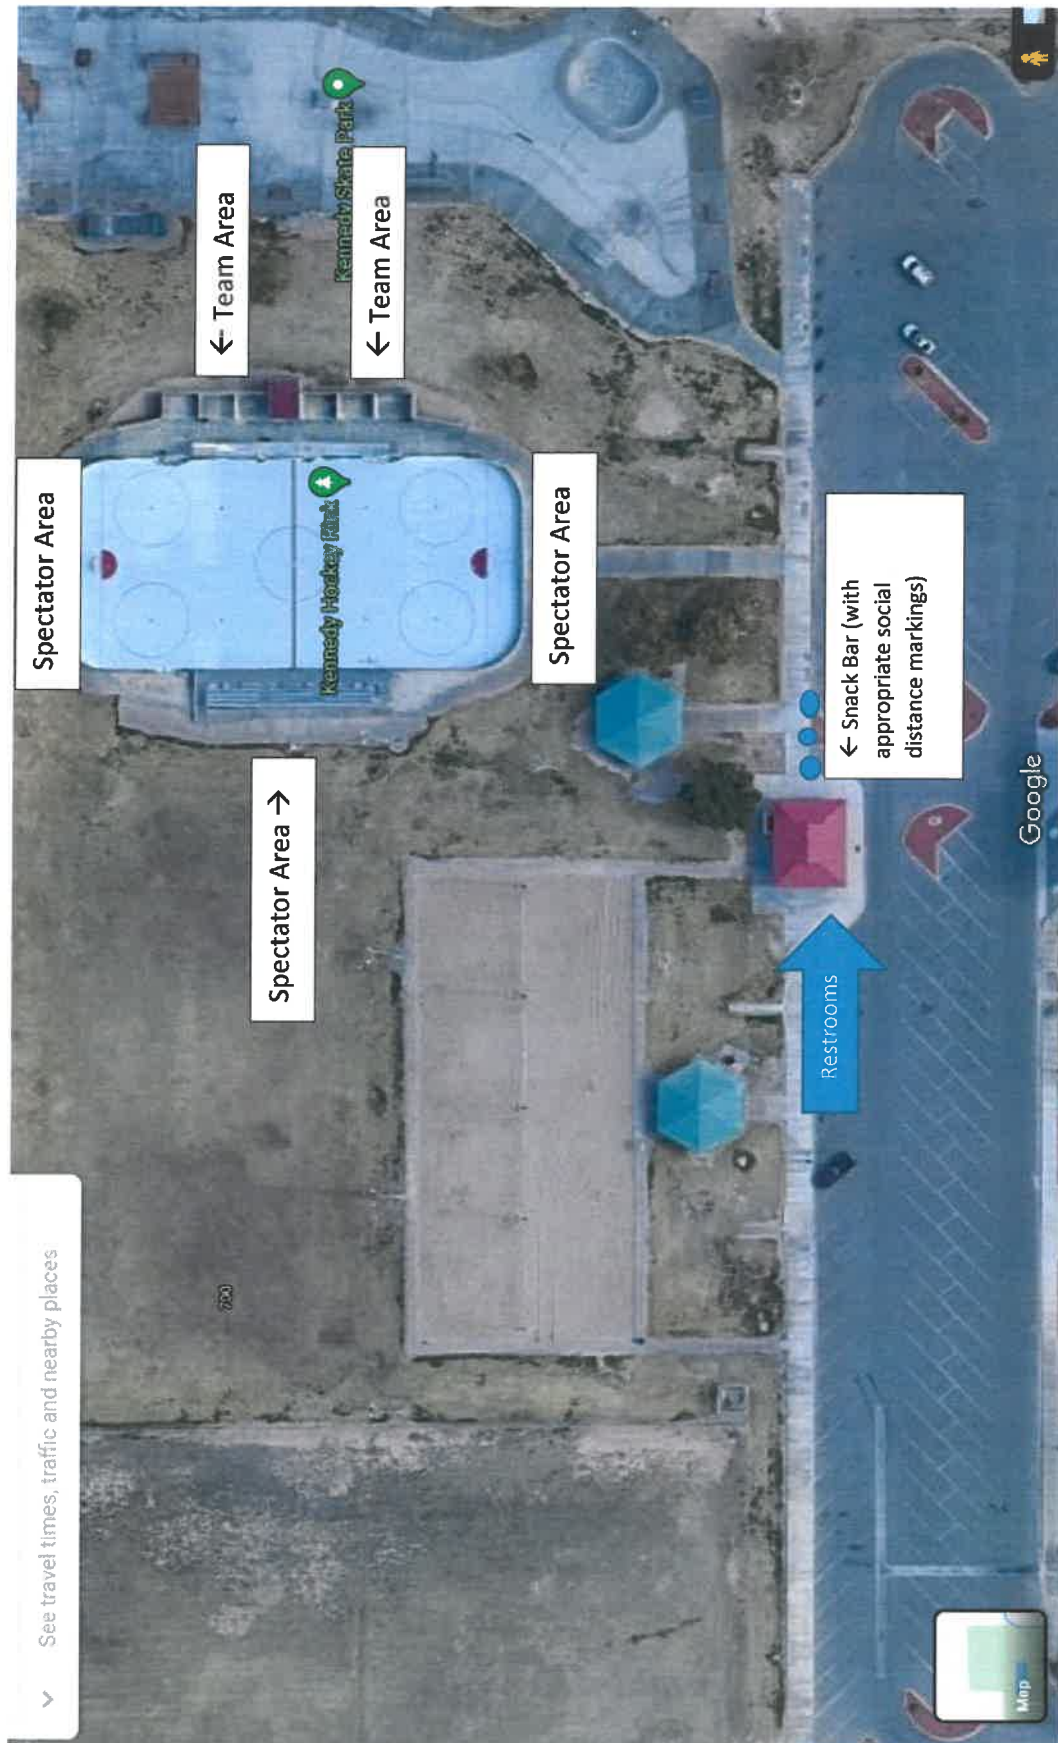

Face masks are required for all attendees at all times during the event, except for the players during the game.
